

WILLIAM SEAMANS.

APRIL 24, 1884.—Laid on the table and ordered to be printed.

Mr. MORRILL, from the Committee on Invalid Pensions, submitted the following

REPORT:

[To accompany bill H. R. 584.]

The Committee on Invalid Pensions, to whom was referred the bill (H. R. 584) to increase the pension of William Seamans, submit the following report:

Claimant asks that his pension be increased to \$24 per month. On the 5th of January, 1884, he was dropped from the pension-rolls, the board of examining surgeons having reported that his disability for which he was pensioned had ceased to exist.

In the absence of any evidence controverting this, your committee must report adversely, and ask that the bill lie on the table.
